VISIT START TIMES

❖ If a PSA is traveling the day prior to their official visit and will be arriving too late to start their visit, what is an appropriate time to start the 48-hours the following day?

❖ 8 am? Noon? 3 pm?

VISIT START TIMES

- ❖ Make it REASONABLE.
- ❖ If they arrive at 2 am, the visit obviously doesn't need to start at 8 am, but should begin before noon.
- ❖ If they arrive at 8 pm the night prior, beginning the visit by 9 am is reasonable.

VISIT START TIMES

❖ If a PSA is traveling the day prior to their official visit and will be arriving too late to start their visit, what is considered too late to start their visit?

❖ Noon? 4 pm? 8 pm?

VISIT START TIMES

- ❖ Again, make it REASONABLE.
- ❖ If they arrive at 8 pm, it is reasonable to hold off starting the visit until the next day.
- ❖ If they arrive at 3 pm, the visit should begin then.
- ❖ We've come up with 4 pm as being too late to start academic meetings, etc. so the visit can start the next day.

VISIT START TIMES

❖ If starting the visit the following day, can only provide meal and lodging expenses for the PSA. No meal or lodging expenses for the parents (except MBB) or other guests.

VISIT EXAMPLE

❖ If a PSA is driving in from Wisconsin, leaves Thursday morning, stops at a hotel in Kearney, Nebraska for the night and then drives the rest of the way Friday, what can you pay for?

VISIT EXAMPLE

- ❖ The PSA's meals and 1 room Thursday night.
- ❖ Parents can stay in the same room as the PSA, but no additional fees can be paid.
