**PER DIEM**

## PER DIEM

It is permissible to provide per diem to student-athletes required to be on-campus during an institutional vacation period.

Submit per diem requests to Jo and Tim. Need plenty of time to request cash advance!

Lodging can only be provided when the residence halls are closed. The halls are open during Fall Break and closed during Winter break.

## PER DIEM

You may provide meals after the last meal is served in the residence halls, which is dinner on Friday November 20<sup>th</sup>.

So beginning with breakfast on Saturday November 21<sup>st</sup>, you may either provide the actual meal to your SAs or the cash equivalent of that meal (but not both).

Meals are served beginning Monday November 30<sup>th</sup>, so dinner on the 29<sup>th</sup> may be the last that you can provide to your SAs.

## PER DIEM

Breakfast - \$10

Lunch - \$15

Dinner - \$25

Please note that these allowances are for when the SAs are in Boulder, but once you begin any 'travel status', it returns to those guidelines (per diem rates change, choice of discretionary meals, etc). So please be mindful if you have any travel during fall break.

Boosters are expressing interest in having our student-athletes in town attend their Thanksgiving Dinners in their homes. This is possible, but note that you may not provide your SAs with per diem AND have them attend an occasional meal. No double dipping!

# CAMP/QUESTIONNAIRE MAILINGS

- Approved camp brochures and questionnaires can be sent to individuals of any age, at any time.
- With those items you can include correspondence that is generic in format and content, does not include information related to the institution's athletics program and does not contain recruiting language or solicitation of the prospective student-athlete to enroll at the institution.
- Such correspondence may include a personalized salutation (e.g., Dear John) and/or instructional language (return camp info to [coach@colorado.edu](mailto:coach@colorado.edu)).
- You should not include “We look forward to meeting you”, “We can’t wait for you to see our facilities”, etc.

# MULTI-YEAR SCHOLARSHIPS

- Please remember your student-athletes are now on scholarships that cannot be cancelled for athletic reasons.
- Asking for permission to contact is not reason to cancel their athletics aid.
- You cannot force a student-athlete to give up their scholarship. If they are considering transferring, they have the ability to talk to other schools without giving up their scholarship.
- You can limit the schools they would like to speak to, but CU has to provide the SA with the opportunity to appeal.
- Be careful what you tell the SAs—they can use this against you in an appeal.

## DECEMBER MCM

- December Monthly Compliance Meetings will be individual meetings with each sport program.
- Watch for an email to schedule on December 7, 11, 15, 16 or 17.
- Let us know if you'd like a specific topic covered.
