The Sports Information Office is located in the Balch Fieldhouse Annex on the west side of Folsom Field.

Media Credentials: Credentials for CU home men's basketball games can be obtained by e-mailing, faxing, writing or calling the CU Sports Information Office the week prior to the scheduled game. Credentials will be left at the southwest entrance on the third floor of the Coors Events Center.

Road Game Credentials: Media credentials for CU road games can either be requested through CU's or the opponent's men's basketball sports information contact. Please be specific when requesting the type of credential needed.

Photographers: Photo passes are available for working photographers for officially recognized media outlets, and/or individuals on special assignment. Requests should be addressed in the same manner as media credentials.

Visiting Radio Personnel: Visiting radio personnel desiring to broadcast athletic events from CU should contact the Sports Information Office at the earliest possible date to request permission to broadcast. Phone and ISDN lines are available for the opponent radio station next to the opponent bench for all home games.

Media Workroom: A media workroom, located on the ground level of the Coors Events Center tunnel at the BuffVision studios.

Media Services: Game notes containing updated team and individual statistics, information on upcoming games, Pac-12 Conference standings prior to each non-tournament game throughout the season. Game notes, media guides and roster information, as well as opponent materials can be picked up before every game in the media workroom in the Coors Events Center. Copies of the box score and play-by-play information, as well as post-game quotes, can be e-mailed or faxed to your outlet at the conclusion of each game, home or away.

Photography: High-quality photography are available through the Sports Information Office. To request photographs of current CU players and staff, please contact the CU Sports Information Office. Please specify four-color or grayscale, as well as desired resolution and format.

Press Row Services: Working media will be provided with full play-by-play and box score statistics at halftime and following the game, along with coach and player quotes following the game.

Post-game Interview Policies: After a short cooling off period, CU head coach Tad Boyle and selected players will be available in the Coors Events Center tunnel at the BuffVision studios. The visiting head coach and selected players will address the media outside their lockerroom. All requests for player or coach interviews from either home or visiting teams should be directed to a CU Sports Information staff member. The Colorado and opponent lockerrooms are closed to the media.

Interview Policies:

1. Media representatives desiring access to players, coaches and facilities must obtain the consent of the Colorado Sports Information Office and assistant director Andrew Green.
2. Tad Boyle will be available on the Pac-12 Teleconference on a weekly basis during the season. Dates and times are to be announced.
3. All practices are open to the local media. Visiting media must receive authorization to attend practice through the Sports Information, which will in turn seek approval from head coach Tad Boyle. Live television shots must be approved by the Sports Information Office and Tad Boyle in advance.
4. Talking is not permitted on the floor and court area of the Coors Events Center while practice is in session unless it is to request a player or coach for an interview.
5. All interviews on game days, prior to tip-off, are at the discretion of Tad Boyle.
6. The lockerroom is closed to the media at all times.
7. The training room, equipment room and weight room are off-limits at all times to the media. The only exception to this rule is if a special feature involving one of the areas is requested, and approval must be sought in advance from the Sports Information Office and the appropriate department head.
8. Sunday is the standard day off for players and coaches during the Pac-12 season and varies during the non-conference season. Any requests for athletes and coaches on Sundays and other off days will be handled on an individual basis through the Sports Information Office.
9. Road practices are closed, however head coach Tad Boyle is available for interviews with opponent media based on his personal discretion.
10. It is the request of the University of Colorado men's basketball program that the coaches and student-athletes are not to be called at home, unless permission has been granted by the player himself or through Andrew Green. Though most phone numbers are available through campus information, players are allowed and encouraged to decline interviews when they have been reached at home when that interview has not been approved.
