**Colorado's Sports Information Department:** The University of Colorado's Sports Information Department welcomes and encourages your interest in Colorado Basketball. We will make every effort to service your needs in covering the Buffs. The Sports Information Office maintains information on all current student-athletes and athletic department staff, as well as historical data on former athletes and Colorado's athletic department in general. The Sports Information Office is located in the Balch Fieldhouse Annex on the west side of Folsom Field.

**Media Credentials:** Credentials for University of Colorado home women's basketball games can be obtained by emailing, writing or calling the CU Sports Information Office the week prior to the scheduled game. Credentials will be left at the southwest entrance on the main concourse.

**Road Game Credentials:** Media credentials for Colorado road games can either be requested through CU's or the opponent's women's basketball media relations contact. Please be specific when requesting the type of credential needed.

**Photographers:** Photo passes are available for working photographers for officially recognized media outlets, and/or individuals on special assignment. Requests should be addressed in the same manner as media credentials.

**Visiting Radio Personnel:** Visiting radio personnel desiring to broadcast athletic events from the University of Colorado should contact the Sports Information Office at the earliest possible date to request permission to broadcast. Phone and ISDN lines are available for the opponent radio station next to the opponent bench for all home games.

**Media Workroom:** A media workroom, located on the first level under the northwest section of seats will be available for use by media before and after games.

**Media Services:** Game notes containing updated team and individual statistics, information on upcoming games, Pac-12 Conference standings, and the latest AP and WBCA polls will be available one day prior to each non-tournament game throughout the season. Game notes, media guides and roster information, as well as opponent materials can be picked up before every game in the media workroom in the Coors Events/Conference Center. Copies of the box score and play-by-play information, as well as postgame quotes, can be emailed to your outlet at the conclusion of each game, home or away.

**Photography and Video Services:** High-quality photography and video clips are available through the Sports Information Office. To request photographs of current CU players and staff, please contact the CU Sports Information Office. Please specify four-color or grayscale, as well as desired resolution and format. For video highlight clips, please contact the BuffVision Department at 303-735-3637. Director Deric Swanson can also be reached via email at deric.swanson@colorado.edu.

**Buff On the Web:** All the latest news concerning the Colorado basketball program and all CU athletic teams is available at CU's official website: [www.cubuffs.com](http://www.cubuffs.com)

**Telephone-Fax:** Media desiring a phone line for their own use should contact Campus Telecommunications (303-492-5194) to have a line installed. All other phones are available on a first-come, first-serve basis. A fax machine is available, also on a first-come, first-serve basis. You may reach an outside line by dialing "8".

**Press Row Services:** Working media will be provided with full play-by-play and box score statistics at halftime and following the game, along with coach and player quotes following the game. Beverages are available in the media workroom.

**Postgame Interview Policies:** After a short cooling off period, Colorado head coach Linda Lappe and selected players will be available to the media in Room 4 on the 2nd floor of the Events Center. Take the stairs near the media room up to the 2nd floor, follow the hallway around to the left to find Room 4. The visiting head coach and selected players will address the media in the same room following the CU press conference. The order of press conferences may change due to visiting team travel schedules. All requests for player or coach interviews from either home or visiting teams should be directed to a CU sports information staff member. The Colorado and opponent lockerrooms are closed to the media.

**No-Smoking Policy:** There is a no-smoking policy to conform to University of Colorado policy concerning smoking on campus in the Coors Events Center. Those members of the media who do smoke will be directed to those areas outside of the arena where smoking is permitted.

**Coors Events Center:** Located on Regent Drive, the first left off Colorado Avenue coming from U.S. 36.

## Interview Policies

1. Media representatives desiring access to players, coaches and facilities must obtain the consent of the Colorado Sports Information Office and assistant director Troy Andre.
2. All practices are open to the local media, as well as to any member of a national media outlet who is not connected with a future opponent on the team schedule. Visiting media must receive authorization to attend practice through the Sports Information Office, which will in turn seek approval from the Head Coach. Live television shots must be approved by the Sports Information Office and Linda Lappe in advance.
3. Talking is not permitted on the floor and court area of the Coors Events/Conference Center while practice is in session unless it is to request a player or coach for an interview through Troy Andre.
4. Basketball players may be interviewed following practice during both the fall and spring semesters. CU players are not to be interviewed prior to any practice unless approved 24 hours in advance by Troy Andre, and this exception is rare. All interviews on game days, prior to tipoff, are at the discretion of Linda Lappe.
5. The lockerroom is closed to the media at all times.
6. The training room, equipment room, and weight room are off-limits at all times to the media. The only exception to this rule is if a special feature involving one of the areas is requested, and approval must be sought in advance from the Sports Information Office and the appropriate department head.
7. Any requests for athletes and coaches on off days will be handled on an individual basis through the Sports Information Office.
8. Road practices are open only to members of the media that cover CU on a regular basis, as well as any members of the national media. Linda Lappe is available for interviews with opponent media based on her personal discretion.
9. It is the request of the University of Colorado women's basketball program that players are not to be called at home, unless permission has been granted by the player herself or through Troy Andre. Though most phone numbers are available through campus information, players are asked to decline interviews when they have been reached at home when that interview has not been approved.
