Head Coach Anne Walker

In four seasons, Anne Walker has elevated the UC Davis women's golf program to among Div. I's elite. The Aggies have captured three straight Big West titles - earning her a trio of Coach of the Year honors - and have been represented at the NCAA Championships four times.

They've also made a home in the national rankings, rising as high as No. 11 this season.

Walker, associate head coach at Cal, replaced Kathy DeYoung, the program's first coach who

retired in 2008 and gave the Aggies their initial prominence.

Walker, who twice earned medalist honors and was a three-time captain for the Golden Bears, joined her alma mater's staff after graduating in 2002. She served as assistant coach until 2007 when she was elevated to associate head coach.

In that role, Walker was involved in nearly every aspect of Cal's program, including recruiting, marketing, administration and fundraising. She also helped coordinate team travels to Japan, Mexico and Scotland.

Walker was a three-time All-Pac-10 Conference selection at Cal, earned All-America Scholar honors from the National Golf Coaches Association (NGCA) of America three years and was the 2002 Pac-10 Medal winner. From 2000-02, she was a member of the Chancellor's Advisory Committee on Intercollegiate Athletics.

THIS IS UC DAVIS

ACADEMICS

UC Davis comprises three colleges (Agricultural & Environmental Sciences, Engineering, Letters & Science), six professional schools (Education, Law, Management, Medicine, Veterinary Medicine) plus the Division of Biological Sciences.

With 102 undergraduate majors and 90 graduate programs, the university offers the most expansive and diverse range of academics among any of the University of California campuses. Additionally, students also have the opportunity to combine majors or customize their field of study by creating an individual major.

For those interested in graduate degrees – whether it be a master's degree or a doctorate – UC Davis offers advising services to help students craft their education toward those goals. An estimated 86 percent of UC Davis students applying to graduate schools earn acceptance to either their first or second choices.

RANKINGS

UC Davis is ranked 7th among public universities nationwide, is listed 9th among public universities nationwide by U.S. News & World Report; and is 10th in research funding among all U.S. ranked public universities by the National Science Foundation.

The campus is a member of the prestigious Association of American Universities, one of just 62 institutions of higher learning to be admitted to this distinguished group.

COMMUNITY

With a population of approximately 60 thousand, Davis is widely known for being a safe, active and socially innovative community.

The downtown area boasts a multitude of specialty shops, restaurants, theaters and art galleries; while the city's numerous parks offer recreational opportunities for active students.

ACTIVITIES

On campus, UC Davis students can rally around the highly successful athletics department by joining the Aggie Pack spirit organization, or enjoy a first-class performance at the Robert & Magrit Mondavi Center for the Performing Arts.

The university also offers hundreds of student clubs and organizations, including cultural clubs, fraternities and sororities, faith-based organizations and the Associated Students of UC Davis student government.

For the active Aggie, students may participate in the diverse intramural sports program or join one of the 30-plus sports clubs. In 2004, the Activities & Recreation Center (ARC) opened its doors, providing the campus with its own state-of-the-art fitness venue.

In April, UC Davis hosts Picnic Day, an annual student-run open house. The popular event showcases all that the campus has to offer, attracting students, staff, faculty, parents, alumni and members of the surrounding communities.

GETTING AROUND

Nestled just southwest of Sacramento, the city of Davis rests just 15 minutes from an international airport, and contains a downtown station serviced by Greyhound and Amtrak. Centrally located in the Sacramento Valley, the town sits equally close to both the finest ski resorts and the Pacific Ocean's top beaches.

Within Davis and its neighboring towns, both Yolo-bus and the student-operated Unitrans bus systems offer free transportation to registered undergraduates.

The town boasts more bicycles per capita than any other city in the nation. More than 50 miles of bike paths make the entire town conducive to both riders and pedestrians.
