MEDIA INFORMATION

MEDIA CREDENTIALS for covering athletic events at the University of Colorado can be obtained by writing the Sports Information Office two weeks in advance of the scheduled contest. Requests which are approved will either be mailed or left at the will call window (located in the ticket building adjacent to Gate 6, just off Colorado Avenue). Coverage of all CU athletic events dictate approval of press credentials for Colorado media outlets; radio and television stations must cover practice and/or get postgame and postpractice tape on a regular basis to qualify for credentials.

PHOTOGRAPHER CREDENTIALS will be issued only to officially recognized media outlets and/or individuals on special assignment. Only working photographers will be allowed on the sidelines. Photographers must have their passes displayed at all times on the sidelines, and must remain outside the 25-yard lines on both sides of the field. A limit of 25 field photo passes will be permitted for members of the media which cover the visiting team.

FAX SERVICE is available on a first-come, first-served basis. Please contact the Sports Information Office either in advance or on the day of the game.

TELEPHONE SERVICES are available through Qwest Communications, but it is advised that you make your arrangements at least one week in advance of the game. To order a phone line, contact Laura Salava with Qwest at 800/301-9220 (FAX: 800/705-3307) for installation. The address of the press box when asked is 2005 Colorado Avenue. Qwest provides a line only; you must make arrangements for your own telephone set. *Note:* Please check with Sports Information on your telephone needs: there are 15 **ethernet** connections, seven courtesy lines in the press box after the game, and four available for use during the game.

VISITING RADIO personnel desiring to broadcast athletic events from the University of Colorado should contact the Sports Information Office at the earliest possible date to request permission to broadcast. The station is responsible for making its own arrangements with Qwest

(Laura Salava, 800/301-9220). Qwest will contact CU for booth assignment. Spotters and/or statisticians are available upon request (please request at least 72 hours before the event).

PRESS BOX SERVICES include play-by-play and statistical highlights at the end of each period. Full statistical facts and figures along with quotes from coaches and players will be available following the contest. The media will be escorted to the locker rooms following the event for postgame interviews. Coach Hawkins' postgame press conference can also be heard over the audio system in the press box for those media members who can't make it down to the lockerroom after the game. An informal luncheon will be served in the press box starting two hours prior to kickoff.

HANDICAP ACCESS is available via elevator to the Folsom Field press box facility at the north end of Balch Fieldhouse.

A "NO SMOKING" POLICY is in effect at Folsom Field, including the press box, to conform with CU policy concerning smoking on campus. Those members of the media who do smoke will be directed to those areas of the stadium where smoking is permitted.

PARKING passes are limited. The media must request parking along with their credentials request. Media outlets covering the University of Colorado on a regular basis will have first priority.

FOLSOM FIELD is located in the University of Colorado campus at the corner of Colorado Avenue and Folsom Street. Driving time from Denver International Airport is approximately 50 minutes via the Denver-Boulder Turnpike (U.S. 36). The Press Box is located on the west side of the stadium, and the entrance for the media is on the west side of the field adjacent to Gate 1. The **press box phone numbers** are 303/492-5626 and 303/492-3209.
