
Ralphie's "Hot Topic"

Review of an NCAA Bylaw
July 2008

CORRESPONDENCE TO PROSPECTS

- Starting August 1, 2008, ANY CU Athletics Staff and/or Institutional staff member can organize, produce, and prepare recruiting correspondence
- It no longer is limited to just coaches!

CORRESPONDENCE TO PROSPECTS

- That means a team's Operations staff member(s), their Administrative Professional, Herbst Academic Staff, members of the Faculty Network, etc. can spearhead a mailing to recruits if they so choose.
 - If you are outside the sport program, give the sport a "head's up" that you're doing a mailing!

CORRESPONDENCE TO PROSPECTS

- Remember, this does not start until AUGUST 1, 2008!!!
- Hold off until then, but on that date and after, the restriction is gone!

Here is the NCAA Bylaws we are citing

- **11.7.1.2 Recruiting Coordination Functions**
- **13.4.1.1 Printed Recruiting Materials**
