

TEAM MEALS FLOWCHAR

Are these meals for a home or away contest?

Home

What is the ONLY option for meals?

Discretionary

When is the 1st opportunity to provide meals?

When is the last opportunity to provide meals?

Dinner on the evening prior to competition

When SA's are released from competition

What postgame meal option are you utilizing?

Boxed meal

\$15

Is this being provided in the locker room PRIOR to the SA's release?

Yes

No

Since the SA's are still at our discretion, \$15 can still be provided AT RELEASE FROM THE LOCKER ROOM.

\$15 cash can be provided to SA's

The only cash disbursed to SA's is per diem for missed meals

No cash can be provided to student-athletes.

A combination of \$15 post game meal money and per diem (if applicable) can be provided to the SA's

CU policy dictates that if we disburse cash to our SA's we need to spend no more than the per diem rate for the city we are in to feed our student-athletes. For example for a home game in Boulder (rate of \$54), we would need to incorporate the \$15 into the other three meals we are paying for, so the other three meals we provide cannot be more expensive than \$13 per SA (\$13+\$13+\$13+\$15 = \$54 to feed one SA).
