Big 12 Student-Athletes Named Dr. Gerald Lage Award Recipients

IRVING, Texas—Ninety-three Big 12 student-athletes have earned the inaugural Dr. Gerald Lage award, the Conference's highest academic honor.

The honor is in memory of Lage, who served as the OSU faculty athletics representative with the NCAA and the Big Eight/Big 12 Conference from 1983 until his death in 2007. He was the chairman on three occasions, in 1985-86, 1993-94 and most recently in 2003-04.

Lage had been a member of the Oklahoma State family since 1966, when he joined the College of Business Administration as an assistant professor. During his tenure at OSU, he served as the director of graduate studies in the department of economics (1974-77), head of the department of economics and finance (1978-84), director of the OSU Center for International Trade and Development (1985-87), and associate dean for research and graduate programs in the college of business administration (1997-2004).

In order to be eligible for the accolade, student-athletes must have lettered at least once in their career while maintaining residence at their institution for at least one academic year. The honoree, which can only be recognized once, should have 100 hours of earned credit with a cumulative grade-point average of 3.80 at the time of nomination.

The Dr. Gerald Lage award winners will receive public recognition at the Phillips 66 Big 12 Basketball Championships this week.
