-----	-----------	----------	-----------

Prior to the spring game on April 23, CU will host its second annual **Healthy Kids Day** at Folsom Field between 10:30-Noon. This is intended for Boulder/Denver metro area kids between the ages of 6 and 13 for the purpose of educating and promoting the benefits of a healthy lifestyle and how sports contributes to that goal. "Fun" stations are set all around the stadium floor with basic sports skills and conditioning/fitness exercises.

 Please enjoy your time here at CU! — When at the practice fields, a friendly reminder to turn off cell phones (no conversations allowed *inside* the gates); no video cameras, lawn chairs or umbrellas are allowed (when in the stadium, umbrellas are okay). Thanks and go Buffs!
