QUICKLY: Colorado holds an 86-35 advantage against Colorado State since 1906. Since 2000, the Buffs are 7-2 against the Rams and have won the last two games. Coach Bzdelik is 6-0 all-time against CSU and 3-0 at Moby Arena with a pair of wins when he was the head coach at Air Force.

ON THE ROAD: Even though the NCAA determined the Buffaloes' 73-58 win over Chaminade at the EA Sports Maui Invitational was declared a road victory, the Buffs still have an 19-game skid against Division I opponents on the road. Ironically, CU's last road win came on Dec. 22, 2007 at Colorado State, 73-70. The Buffs shot 55 percent from the field and placed four players in double figures. FRESHMAN STARTERS: In his first three years, Coach Bzdelik has started at least one freshman in the starting line up on opening night. Against Arkansas-Pine Bluff, Alec Burks started (10 pts., three assists, two rebounds). Cory Higgins started his first game (Nov. 9, 2007) with a 10-point, five-rebound, three-assist performance against New Mexico. Last year, Austin Dufault (13 pts.) and Nate Tomlinson (12 pts.) started against Arkansas-Pine Bluff.

NEW UNIFORMS: The 2009-10 season marks the first time in 19 years the Colorado men's basketball team will don new home uniforms. This season's new look will be silver, a first since the 1990-91 season. They also wore black and silver for both home and away games. This season, the 2009-10 Buffs will have silver, gold and black jerseys.

ENTERING 2009-10: This will be the third year of head coach Jeff Bzdelik and his staff. Here's a brief synopsis who and what is returning for the 2009-10 season:

Starters Returning/lost: 4/1

Top Returning Scorer: Cory Higgins 17.4 ppg.

Top Rebounder: Cory Higgins 5.4 rpg.

Top Returning FG Shooter: Dwight Thorne II 48.1%

Top Returning FT% Shooter: Cory Higgins 83.0%

Sharpe successfully had a microfracture procedure. Sharpe, a 6-1, 200-pound guard from Corona, Calif. is one of four true freshmen on the 2009-10 roster. He will be medically redshirted.

DEFENDING THE OPPOSITION (Scoring Defense): In the last two years under Coach Bzdelik, CU's defense has allowed the opposition an average of 66 points per game (67.5: 2008-09; 64.4: 2007-08). That two-year total ranks only second to the 1980-81 season (64.5 ppg.) and 1979-80 (67.3 ppg.). Those two years averaged out to 65.9 ppg.

BIG 12 AGE AVERAGES: With only one senior on the Colorado roster, the men's team is the second youngest school in the Big 12 Conference. The following breakdown is courtesy of Mike Noteware of Oklahoma State. These averages are as of Oct. 15, 2009.

Team	Yrs	Months	Days	Experience
Oklahoma State	19	11	25	1.1
Colorado	20	2	20	1.3
Iowa State	20	3	27	1.3
Oklahoma	20	4	1	1.2
Missouri	20	5	23	1.3
Texas A&M	20	6	0	1.4
Baylor	20	6	6	1.1
Kansas	20	6	26	1.2
Kansas State	20	7	15	1.3
Texas	20	8	24	1.6
Nebraska	20	9	14	1.3
Texas Tech	20	11	14	1.8

The "experience" category basically is the average number of years the members of the team have been playing (i.e. A senior is given a 3, a junior a 2, a sophomore a 1 and a freshman a 0). The findings did not take into account redshirt years, and it's obviously not based on Division I experience, since a juco transfer would be assigned a 2 just like a third-year junior. Missouri's Tyler Stone is the youngest player in the Big 12 (born Sept. 8, 1991), while Brady Morningstar of Kansas is the oldest (born Jan. 23, 1986).

DEFENSE THROUGH THE YEARS): In his six years as a collegiate coach and two-plus seasons in the NBA, head coach Jeff Bzdelik has installed playing defense as a major part of the game. Here's a look at his teams over the years. His 2005-06 season at Air Force was a nation's best in scoring defense of all 970 collegiate schools in Division I (326), D-II (265), and D-III (379).

BIG 12 PLAY SETBACKS: Winning on the road is sometimes a difficult task, especially in the Big 12. CU has lost 29-straight Big 12 Conference road games since Feb. 5, 2006. All eight games in 2008-09, 2007-08 and 2006-07; and the last five games of

the 2005-06 season.

Last Big 12 Road Win: Jan. 21, 2006 at Oklahoma State, 80-78 (ot).

Last Big 12 Road Win (Regulation): Jan. 14, 2006 at Missouri, 74-71.

vs. RANKED OPPONENTS: The Buffaloes have lost eight straight games to nationally ranked opponents dating back to the 2006-07. Their last win came in Boulder against then-No. 18/19 Oklahoma State, 84-75 (Feb. 15, 2007).

ON THE ROAD vs. RANKED FOES: CU has fallen on the road to ranked opponents 25-straight times. CU's last win on the road came at No. 20 Texas Tech, 80-78 (Jan. 11, 1997).

The Buffs have lost 32-straight nationally ranked games away from Boulder, including 25 on the road, seven on neutral courts. Their last road win against a nationally ranked school came at No. 20 Texas Tech, 80-78, Jan. 11, 1997; last win over a top-10 opponent on the road: never.

You're entering your third year, what's the one thing you are looking forward to this year?

"The winning and losing will take care of itself if our players improve on a daily basis and play collectively up to their potential."

The team looks bigger and stronger. Was each student-athlete responsible for his own off-season workout?

"It's the direct result of having a weight room for basketball (at the Events Center) and having a strength and conditioning coach just for basketball. That piece has been sorely missing from this program and we now have it."

What's the difference from this year compared to last year with your team?

"We didn't have success on the scoreboard last year because we weren't deep enough, strong enough, mature or experienced enough. We have gotten deeper because of the five additional players, in addition to Trent Beckley (Beckley missed all of last season with a stress fracture in his lumbar spine). We have gotten stronger because of the weight room and with the strength coach coupled with the dedication of our players since last April. We are now a little bit more experienced based on the number of quality minutes of all our young players received last year and are a little more mature."

Is this team better than the perception with only one senior?

"We are getting better, there's no question in my mind. I'm really excited about coaching this basketball team. I finally can coach; I think my first two years were spent with a lot of energy, time and emotion helping build the facilities, recruiting, drumming up support for the program; creating a culture that's positive and now a lot of those pieces are in place. So it's about developing our basketball team. Pretty much all my energy and

focus will be, opposed to just part of it."

Four returning starters averaged at least 30 or more minutes a year ago. Will that happen again?

"Not really, that was born out of necessity, but the days of Cory Higgins and Dwight Thorne playing 37 minutes a game are gone."

Your thoughts on senior guard Dwight Thorne?

"Maturity, energy ... to me he's the face of the Colorado program in terms of what you would want a Colorado basketball player to be like both on and off the court."

Your thoughts on junior guard Cory Higgins?

"One of the nation's best players at his position. Cory also leads by example; he has a quiet demeanor in some ways camouflages his intense fierce competitiveness."

Sum up your newcomer class (four freshman, one transfer)?

"They're all going to contribute. From a coaching perspective, the depth now is a player can't take a possession off, if they do, they're coming out. In the past, I would walk down to the bench and look, and I would walk back to my seat. I don't have to rant and rave, and be boisterous. With this group, I like what I see, I enjoy it."

Entering the season, a high percentage of scoring (86.9%), rebounding (90.3%) among other stats return. How does that play into the 2009-10 outlook?

"It's what I envisioned for this program. What really excites me is that you are going to be saying the same thing a year from now will only be one senior. It's what fuels my cautious optimism about the future of Colorado basketball. I say cautious because we're in the Big Nasty, the Big 12 ... everybody is good. It's a beast."

What do you like about your non-conference schedule?

"Anybody who says anything negative about our schedule doesn't understand. Arkansas-Pine Bluff has everyone coming back from last year; the Maui Invitational is a monster; San Francisco has one of the top power forwards in the nation who's in a senior; Oregon State is picked at the higher echelon of the Pac-10; Miami OH is always a perennial threat to win the MAC and are extremely well-coached with a great basketball tradition; Tulsa is rated in the preseason top-25 and they have everyone coming back; at Colorado State, 'you don't think they're going to have Moby packed for that game?'; Cal State Northridge almost beat Memphis in the NCAA Tournament first round last year. Northridge has three starters returning, two of their top players come off the bench and they signed five junior college transfers. If we can have a winning record with this kind of schedule, we'll be in contention for some kind of postseason play."

What will constitute a successful season for you?

"The winning and losing will take care of itself if my team plays to its fullest potential."

Coach Quotes - Game-by-Game**Nov. 13 vs. Arkansas-Pine Bluff (W, 88-72)****Associate Head Coach Steve McClain**

ON THE WIN – “I thought we played with energy. I thought we played with passion and played through mistakes. When we would make a mistake, I wouldn’t see guys getting down on themselves.. I saw guys down there picking each other up. As I told the team, we did some good things and we did some bad things. You only play 30 games in a season, and every time you have choice, win or lose, and I thought there were some really good things, but like any team in the country we have some things to work on. No game is easy this time of year. Arkansas-Pine Bluff has their whole team back from last year so we knew they would come in and be a good challenge. I give our kids credit for giving a good gap at half time and then finishing the game.”

ON FILLING IN FOR COACH JEFF BZDELIK – “We were prepared all week, it wasn’t like today I said let’s change things. I think it was easy for us because of the fact that coach lets us do so much in practice. For the guys it wasn’t that much of a shock. Our players handled it well. I told Cory (Higgins) before the game that I am going to coach to my personality and they see that every day in practice. I have always believed that if you don’t have that passion, then how do you expect your team to? We talked to the kids about bringing energy and I wanted to bring that too.”

Nov. 16 vs. Coppin State (W, 82-58)**Head Coach Jeff Bzdelik**

GENERAL – “We need to sustain our energy. In game one against Arkansas-Pine Bluff we played a good 20 minutes and today it was about 27 minutes. We need some improvement, we will just keep working.”

ON SECOND HALF – “That’s where we have to show maturity. We have to sustain for 40 minutes. We are not going to shoot the ball all the time like we started shooting tonight. Offense is a variable and defense and the effort has to be there all 40 minutes.”

Nov. 18 vs. Texas Southern (W, 88-77)**Head Coach Jeff Bzdelik**

On the Student Section – “I want to thank our students. Our students are awesome, they really are. We need them and they are a big part of our basketball team. We are going to play hard, and we are going to play with enthusiasm and passion. We are going to do the best we can. We really appreciate our students and our fans. We are going to give it everything we have.”

On Rebounding – “We have to rebound the basketball. We are playing a dangerous game right now, just trying to outscore teams. We have to get stops and we have to rebound the ball. We have to do a better job in both of those areas. We got beat off the dribble. We stood around on the defensive glass. It’s something we work on first thing every day in practice. That is the big thing we have to do better; rebound and contain the ball.”

Nov. 23 Gonzaga (L, 76-72)**Associate Head Coach Steve McClain**

On the game – “It became a back and forth game. When they got it back even, it was you have to score or they are going to score. I thought (Gonzaga guard) Matt Bouldin was going to try to win the game for them and he made a big shot. Yet I thought our guys made some big shots, stepped up and made some big plays. It was a battle. It was Big 12-type game out there. Like I told the kids, I walked out of the locker room for the first time since I’ve been at Colorado and felt like our kids believed we were going to win that game. At halftime, I knew they were going to come back. That team isn’t where they are at because they quit. I knew they’d come back and be even, and we would have to fight. But I give our kids lots of credit. I thought we showed passion. I thought we were prepared. They made a shot where we didn’t. We had a couple turnovers, but again, that’s easy to say when you’re sitting on the sideline. Give them credit, they found a way to win and we didn’t.”

On Colorado’s performance – “We love our young players. (Cory) Higgins is going to be a really good player. Alec’s (Burks) going to be a very good player. Again, our young players looked like they belonged out there. They weren’t intimidated by it. Alec got a couple charges that I felt could have gone either way. But you know what, I know this: you expect your team to compete and leave it all on the court and I think our kids did that. We got a nice run going early, our kids kept their composure and got up, yet you knew they’d come back. I think Cory knows he’s got help out there and it probably came down to one play. We pushed it, we had Casey (Crawford) wide open here, but the ball goes in and out. If we go up three it might have changed the whole thing. But he at least shot the ball like he believed he was going to make it and you live with the misses. I’m not going to fault our effort. We played like we believed in CU today.”

Nov. 24 Arizona (L, 91-87, overtime)**Associate Head Coach Steve McClain**

General – “When it looked like we were out of it, we found a way to get to overtime, we found a way. We got up three, and then we couldn’t make just that one play to get a stop. You always come back to the mistakes on the offensive end, but the mistakes that kill you are on the defensive end. I guarantee you most people thought that when we were down eight at the end of regulation that the game was over. We had some big steals and some big shots and we’re right there. I don’t know, I told the coaches that I don’t know what to say to them because we took charges, we did some things you have to do to win that game, and yet it doesn’t guarantee it. You have to just keep fighting.”

On Colorado’s performance – “Cory (Higgins) made some big plays, he hit some big free throws when he had never stood there and had to do that. You got to have some guts and he had them. Matt Bouldin did that and I thought Nic Wise, when the game was there, he wanted the ball in his hands. Again, we’ll get to that. I got to keep my guys believing that going into tomorrow. Like we talked about coming in here, it was going to be two hard games. We didn’t come here to play at nine o’clock tomorrow morning (Hawaiian time), but it will be a better opportunity. I thought our bench play was good tonight and guys just got to step up. We got to come back ready to go tomorrow

"On Arizona's hot shooting - "Last night (Janelle) Horne goes 1-of-5 from three, and he shot an air ball, then he went 5-of-5. Yet the kids kept believing. I thought we kept ourselves in the game at that point. You think when they're hitting shots that at some point they aren't going to hit all of them. Right there at the end Nic Wise missed a three at the end of regulation and we got the rebound. I thought Austin Dufault made a lot of big plays in there today. I thought Shane Harris-Tunks off the bench really stepped up and made some big plays."

**Nov. 25 Chaminade (W, 73-58)
Associate Head Coach Steve McClain**

On Colorado's energy level - "You come here and you lay it all on the line the first couple nights. Even one of the referees came up to me before the game and said, 'Steve you could easily be 2-0 and playing in the championship tonight.' I knew the kids had the right attitude in the locker room, but I also knew that the same energy wouldn't be there. When you line up and leave it all out there every night, to come back and play a Division II team, you can say everything you want in your own mind, but it isn't the same. My whole goal was to manage it to the point where we could get out of here with a win."

On what to take away from Maui - "I know our fans have been watching these games, and if you don't walk away from these games wanting to come to our next home game, wanting to be a part of this. Everyone will find negatives and there are things we have to get better at. But I'm going to tell you this; I don't know how many texts and calls from throughout the country I got saying, 'Steve, that team is playing their tails off.' ESPN asked me what did you want to accomplish when you walked out of here and I said that I wanted people to know Colorado basketball is different than it was last year. I wanted them to feel like we are a hard-playing group of kids. I think we accomplished that. I think we found that we have some depth and that on different nights somebody else can step up."

**Dec. 1 San Francisco (W, 78-54)
Head Coach Jeff Bzdelik**

ON THE ASSIST TO TURNOVER RATIO - "We just need to continue to share the basketball, and not turn it over. If you do that, you will put yourself in position to get great opportunities to score. I know that offense is a variable, but we have some guys who score. So if we are unselfish and the spacing is good, and the appropriate cuts are made and we don't turn it over then we will get opportunities to score efficiently."

ON THE OFFENSE - "Players make the offense, the offense does not make the player. In order to play offensively, you have to be able to score at every position, and in the past couple of years we haven't had that. We have always had a couple of players on the court that teams have not had to guard, and that makes it hard. If you look at our roster right now, we have some players that can make some shots. Also, some players can make shots in a variety of ways, so that makes the offense more efficient."

**Dec. 3 at Oregon State (L, 74-69)
Head Coach Jeff Bzdelik**

On the loss - "It was very disappointing; we certainly had our opportunity to win this game. First of all, we didn't contain the ball very well. There were three or four things defensively, but you've got to get down and guard. Then you have to get down and guard without fouling and we just bailed guys out. I thought we were very selfish defensively; we wouldn't help one another, we wouldn't talk to one another, we had too many gaping holes in our defense. Then when they missed, we couldn't rebound the basketball. We can't have certain guys play and not get a defensive rebound in extended minutes. We need to strike first and drive people back and we work on that every day, but we just stand there and watch and let Charlie get it, but we don't have Charlie on our team. Then we had some opportunities. We had a wide-open look at a three and we had a couple free throws; we missed some timely opportunities to score and put some pressure on them."

Dec.7 Colorado Christian (W, 84-65)

On Second Half Struggles - "It is always a battle, and that is where we have to grow as a basketball team. You are going to have periods where you are not so good offensively, but you cannot take possessions off defensively, like when you see the hands drop, or we are a step or two behind. We need all five guys to play together. That is where we have to grow."

GAME #1 REVIEW: CU placed five players in double digits (Cory Higgins [26], Alec Burks [13], Casey Crawford [10], Dwight Thorne II [10], Austin Dufault [10]). A first since five netted double-digits at SMU (Jan. 5, 2009) • Levi Knutson did not play in the season opener tonight and will miss an undetermined amount of time after injuring his right hip during a pre-season scrimmage against Utah. Knutson has played in 62 games with two starts; he also missed Kansas (Jan. 17, 2009) last season • First of three home games in six days for the Buffaloes. It matches the 2004-05 season when CU also played three times in six days (Colorado State, UMKC, Radford — all wins).

GAME #2 REVIEW: The Buffaloes flogged the Coppin State Eagles, 82-58, on the strength of a high-energy start that saw them hold their visitors to only two field goals for almost 13 minutes of the first half. Cory Higgins led CU with 21 points, while Alec Burks added 18. Marcus Relphorde had 14 points, six rebounds and a team-best four assists, and lone senior Dwight Thorne II contributed 13 points. The Eagles (2-1) didn't score their first field goal until the 15:15 mark of the opening half - and until then, the Buffs had a 15-0 lead. Getting their second field goal would require another 8:04 for the Eagles - and by then, the Buffs were up 30-10. The half ended with Coppin State managing five field goals (22 attempts) and CU cruising 45-20.

GAME #4 REVIEW: Cory Higgins scored a team-high 19 points in a 76-72 loss in the opening game of the Maui Invitational. CU led by 15 in the first half and by 11 at halftime, but could not hold on to the lead in the second half. Gonzaga tied the game at 57 with 8:23 remaining on an Elias Harris basket and free throw. The game would be tied five additional times down the stretch before the Bulldogs pulled ahead for good.

The Buffaloes made seven of their first nine three-point attempts. Powered by their hot shooting, CU went on a 27-6 run to take their largest lead of the game at 36-21 with 5:35 remaining in the first period. Junior Casey Crawford led the Buffs with eight points at the break as CU went into halftime with a 40-29 lead.

Gonzaga came storming back in the second half though, led by Highlands Ranch, Colo. native Matt Bouldin. Bouldin scored 16 of his 21 points after halftime, including a contested bank shot with 39 seconds left to put the Zags ahead 72-69. Steven Gray scored a game-high and career-high 27 points for the Bulldogs.

The Buffs still shot 53.1 percent from the field for the game and for the first time since the 1994-95 season have shot over 50 percent in four straight games.

Freshman Alec Burks scored 11 points adding to Higgins' 19. Nate Tomlinson dished out a career-high eight assists to go with his eight points. Higgins and Burks tied for the team lead with six rebounds apiece.

GAME #5 REVIEW: Cory Higgins scored 28 points, but was outdueled by Arizona's Nic Wise who scored 30 as the Wildcats defeated CU, 91-87 in overtime on the second day of the EA Sports Maui Invitational.

Wise scored 15 points in the second half and carried his hot hand into overtime, scoring eight of Arizona's 11 points in the extra frame. Higgins scored 22 of his points in the second half and overtime.

The game went to overtime after a wild finish in regulation that saw an 11-0 run by Arizona answered by an 8-0 run by Colorado. After a three-pointer by sophomore Austin Dufault put CU up 72-69 with 3:31 remaining, Arizona went on an 11-0 run, including two treys by Wise, to put the Wildcats up 80-72.

Sophomore Nate Tomlinson and Higgins each hit threes in the final minute, capitalizing on missed free throws by Arizona, to tighten the Wildcats' lead to 80-78 with 24 seconds left. A Dufault steal on an inbounds pass followed by two Higgins free throws knotted the game at 80 with 20 seconds remaining.

Tomlinson hit a three-pointer on CU's first possession of overtime and CU led 85-82 after Higgins hit a jumper with 3:35 left in the extra period. Then Nic Wise took over, scoring eight straight points to put Arizona ahead for good.

GAME #7 REVIEW: The Buffs improved to 5-2 overpowering San Francisco 78-54. Cory Higgins led all scorers with 22 points and was one of four Buffs players in double figures. Alec Burks added 12 while Dwight Thorne II and junior Marcus Relphorde, who was celebrating his 21st birthday, contributed 10 each.

It was the seventh consecutive game that CU has scored 70 or more points, as well as the seventh straight game CU has had four players reach double figures.

In a 16-2 Buffs run, Higgins scored six points as CU opened a 32-20 lead. But over the next 31/2 minutes, the Buffs got sloppy again and allowed the Dons to creep back to within five points (35-30).

Bzdelik quickly called a time out, and whatever was discussed in his huddle was taken to heart. The Buffs outscored the Dons 7-2 in the final 4:14 of the half and went to the locker room leading 42-32.

Higgins hit all six of his first-half field goal attempts - including a pair of three-pointers - and both free throw tries to finish the first 20 minutes with 16 of his total.

CU opened the second half with pressure on both ends. An 8-0 run pushed the Buffs ahead 50-32. The Buffs got another pair of baskets from Higgins and Relphorde - they hit their first six shots of the last half - to extend their run to 12-0 before USF guard Dontae Bryant hit a free throw at 16:13 for the Dons' first points of the second half.

But by then, the Buffs had surged ahead 54-33.
