• 17th 20-rebound performance in CU history and tied for the fourth-most in a game away from home.
• first 20-rebound performance in a CU road game in almost 52 years, since Roger Voss, 27 at Missouri, Feb. 4, 1961, and most away from home since Jamahl Mosley, 20 vs. Baylor in Kansas City on March 8, 2001.

HOLDING DEFENSE UNDER 50: CU held Fresno State to 43 points in its seven-point win on Dec. 12 at the Save Mart Center. It's the first time this season and seventh time a Boyle coached CU team has allowed the opponent under 50 points. In 2011-12, Buffaloes defense held the opponent under 50 points, six times.

CU Coaches holding opponent under 50 points in a game (since 1956-57 season: minimum 23 played games in season)

Head Coach	Yrs
Oppt. Under 50 pts	
Sox Walseth	1956-76 (20 years)
	19 games
Ricardo Patton	1996-2007 (11 years)
	9 games
Tad Boyle	2010-present (2 1/2 yrs.)

Jeff Bzdelik	2007-2010 (3 years)

THREE ROAD GAMES/ONE HOME: CU went 2-2 in a grueling slate that only six other schools among the six BCS Conferences have played this non-conference season. The Buffs played three of four true road games during the non-conference season. The others were Utah, Alabama, DePaul, LSU, Miami, Villanova). LSU is the only school playing three straight road non-conference games.

NATIONAL RANKINGS: CU loss at Wyoming (Dec. 1) pushed the Buffs out of the AP and USA Today polls. CU was No. 19 (Nov. 26-Dec. 2) in the AP and USA Today Coaches' Poll, the highest among the top-20 since Mar. 4, 1997, when they were No. 18 • CU was also ranked in the AP Top-25 at No. 23 (Nov. 19-25).

TAKING CARE OF BALL: CU committed only seven turnovers in its home win over Colorado State (Dec. 5). It's the 12th time under the Boyle-watch the Buffs committed seven or less turnovers in a game (9-3). Ironically, CU committed seven turnovers two years ago in its 90-83 (ot) win in Boulder against CSU.

2013-14 COLORADO MBB NLIs

JARON HOPKINS

Position: Guard (multi-purpose) • Height: 6-5 Weight: 185
High School: Dobson (Mesa, Ariz.)

Vital stats/storylines: Averaged 21.8 points, 7.0 rebounds, 6.0 assists and 0.8 blocks during his junior season • Hopkins can shoot, going 60 percent from the field as a junior, including 37 percent from beyond the arc and 57 percent from the free throw line • Scored 20 or more points 16 times last season and led his state's Section II in points, steals and assists in a 22-7 season that saw Basha advance to the second round of the AIA Division I playoffs • Rated a four-star prospect by Rivals.com, the 29th best shooting guard and the nation's 109th best prospect overall • Other western schools pursuing him included Washington State, Oregon State, Arizona State, New Mexico, Boise State, Colorado State, USC and UTEP • Played AAU ball last spring and summer for the Compton Magic.

CU scouting report: A multi-purpose guard who can play the point, the two spot and the wing • Passes, dribbles and shoots at a high level • Strong chance he will be Arizona's player-of-the-year this season as a high school senior.

Boyle's take: "There's not a lot of things he can't do on the basketball court. He's an elite level athlete with a good frame who can run and jump. He's certainly one of the top players in the state if not the top player in the state, in our opinion. Arizona State was heavily after him as well as other Pac-12 schools."

Hopkins' take: "I feel like I fit in with the team and I love the campus • I just like the school in general."

TRE'SHAUN FLETCHER

Position: Wing • Height: 6-6 Weight: 195
High School: Lincoln (Tacoma, Wash.)

Vital stats/storylines: In his junior season, was named MVP of the Narrows League, as well as first team all-are and second-team all-state • Averaged 18 points, 11 rebounds and five assists in Lincoln's 18-8 season • Rivals.com rated him a three-star prospect • Scholarship offers came from Arizona State, Washington State, UCLA, Boise State, Cal Poly, Gonzaga, Oregon State and Santa Clara • Played AAU ball with the Northwest Panthers, whose coach, Gary Ward, called Fletcher "a legitimate 6-foot-6 with a 6-foot-9 wingspan • Multi-skilled, played some one, some two and some three (positions). Ward also described Fletcher as "crafty" and "sometimes a little too unselfish, he is a really good player."

CU scouting report: Lefthander with a great skill package • More of a true wing • Handles ball well and shoots well.

Boyle's take: "He's really a good passer for his position. He's long, athletic, runs the floor well and is great in transition. We think he'll fit in very well with what we're looking to do here. Bottom line is, he can do a lot different things to help you win."

Fletcher's take: "I feel like Colorado is a good fit for me. I love the coaches, the players and the system. I feel like I am a very versatile player. I can guard positions one through three, I can shoot it, I can dribble it and I can pass it. I think colleges like my length, too. I can get in and bang with the fours and fives, too. I just need to put on a little bit more muscle and get my dribbling better and I will be set."

DUSTIN THOMAS

Position: Combo forward • Height: 6-7 Weight: 210
High School: Pleasant Grove (Texarkana, Texas)

Vital stats/storylines: Pleasant Grove won 29 games last season, with Thomas a big reason for the success • He was 3A Region II District 15 MVP after averaging 20 points, 14 rebounds, five assists and five steals • Made an astounding 48 percent of his three-point attempts • Rivals.com ranks him as a three-star prospect • Schools offering him a scholarship included Oklahoma, Texas-Arlington and Lehigh, with interest being shown by Kansas State, Texas, SMU and Tulsa • Pleasant Grove coach Billy Brewer said Thomas is very comfortable shooting from behind the arc: "Three-point range is pretty easy for him. We run a motion offense and we are going to run until they get the ball in his hands • Dustin can also dribble penetrate and he can go in the post. He can do whatever he wants to do so we try to get the ball in his hands."

CU scouting report: At 6-7, probably not as explosive or as athletic as Andre Roberson, but shoots the ball extremely well from the perimeter and can put the ball on the floor • Can play inside and out • Plays with extraordinary energy and can rebound.

Boyle's take: "The thing that makes Dustin special is his love for the game, his motor. And shooting, he can really stroke it. But what sets him apart is his love for the game. Every time I talk to him he's going to the gym or on his way back. There's not a day that goes by that he's not trying to get better as a basketball player. I think if anything we've got to kind of tone him down a little; he loves the game and his desire to be great is unquestionable."

Thomas' take: "Going up there (to visit Boulder), I didn't know what to expect. Everything about Colorado was perfect. It is like a big family out there. At first, I didn't even think Colorado would have been where I would choose to go. But once I got out there, it completely turned my impression about it. I loved everything about it. The players made me feel like family. The coaching staff was just real up front and I trust them • They won the Pac-12 last year and you can tell the fans really show them a lot of love. It is just real fun to be around it and I wanted to be a part of that."

NATIONALLY RANKED...2 WEEKS: The Buffs were ranked nationally for two weeks coming in at No. 23 in the Associated Press poll (Nov. 19-25) and No. 19 in both polls (Nov. 26-Dec. 2). The No. 23 ranking was the first time the program has been ranked in a major poll since earning back-to-back No. 25 rankings in the Coaches Poll during the 2005-06 season. In the AP poll, it is the first ranking since appearing at No. 24 in the final poll of the 1996-97 season, when Chauncey Billups led the Buffs to the second round of the NCAA Tournament.

20+ POINT SCORER: Spencer Dinwiddie became first CU player to net three-straight 20-point efforts since Alec Burks (five in a row) did it the last five games of the 2010-11 season. Dinwiddie scored a career-high 29 points against Colorado State, 24 points each at Wyoming and Texas Southern. Dinwiddie averaged 25.7 ppg., 52.8 FG% (19-of-26), 50 3Pt% (11-of-22), and 82.4 FT% (28-of-34) over that three-game span.

CU-CSU SELLOUT: CU's win over Colorado State (Dec. 5) set a new attendance record at the Coors Events Center (11,708). It was also the third sellout in four games, and third game over 10,000 fans for the Buffs this season.

WHAT WAS SAID ABOUT CU/COACH BOYLE
"I want to say the job that Tad Boyle has done at Colorado, and what Colorado represents to the future of the Pac-12, I can make the argument that there's been no greater gift to college basketball in the Pac-12 than adding Colorado. They are well-coached, play extremely hard, very good on defense. They have talented players now. I feel like they have some really talented players coming in. I wish them the very best in the NCAA Tournament. Whoever draws them is running into a hungry, well-coached, disciplined team." - *Arizona Head Coach Sean Miller after the Pac-12 Championship game (March 10, 2012)*

"I'm a believer in Tad Boyle. He is not only a terrific teacher of the game with great basketball knowledge, he keeps it simple and gives his players an understanding of what you need to do to win, but a firm understanding of how teams lose, too. Boyle has tremendous toughness in him. He is demanding without being demeaning, and he puts his players in position to achieve together without fear of failing. That's what truly outstanding coaches do, and Tad Boyle is a truly outstanding coach." - *Jay Bilas, ESPN (August 8, 2012)*

"Colorado had the most boisterous contingent at the Pit during the NCAA tournament. The black and gold fans in Albuquerque were loud, proud and committed to ensuring the Buffaloes were well represented. I was there. I heard it. It was obvious to anyone in the arena. The Buffaloes were rewarded with an NCAA tournament win over UNLV -- their first such victory in 15 years -- before losing to Baylor in the round of 32. This was Colorado, and the sport they were cheering was men's basketball. Now that's progress. The CU fan base had rarely been known as well traveled (or loud) during its days in the Big 12. Yet something has changed in Boulder -- for the better -- since Colorado's move to the Pac-12. Now the fan base has something to cheer about: a team that isn't going to shy away from its newfound success under Tad Boyle, who is entering this third season with the Buffs." - *Andy Katz / ESPN.com (July 17, 2012)*

"Tad Boyle, Colorado. The Buffaloes' prospects begin with the best-kept secret in college basketball: Andre Roberson, a 6-7 jumping jack who was the nation's third-leading rebounder last season (11.1 per game) while leading the Pac-12 in blocks (1.9). Roberson's improvement enabled the Buffaloes to win the Pac-12 tournament and reach the NCAA tournament for the first time in nine years. While Colorado lost three starters, it is bringing back its three most talented players in Roberson, 6-5 sophomore guard Spencer Dinwiddie and 6-1 sophomore guard Askia Booker. "We'll be more talented, but not as experienced," Boyle said. Six freshmen have also entered the program, most notably Josh Scott, a 6-10 forward from Colorado Springs who Boyle said "can really score it"; and Xavier Johnson, a 6-7 forward who played at Mater Dei High in southern California. Looking ahead, one of the main questions that needs to be answered is whether Roberson can provide leadership that is commensurate with his talent. "You always want your best player to do that," Boyle said. "In the past he has led by example, but he's not the most vocal person in the world. We've been talking to him this summer about doing that." If Roberson can find his voice, then the Buffaloes will be ready to make some noise in the much-improved Pac-12.

"This exciting process was all about both the young men we have currently and those in the future who will be joining our program, and is an investment in them and represents the competitive spirit, teamwork, passion and dedication they stand for. Tad Boyle represents everything that is right about college basketball. We look forward to his leadership, poise and competitive drive to unite all our collective Buff interests to support our team and this enterprise that has so much promise for the long term."
